IIE BACHELOR OF PUBLIC HEALTH (HONOURS)

1 year full-time

NQF Level 8

Min. 120 credits

SAQA ID: 93589

WHY STUDY PUBLIC HEALTH HONOURS?

This programme aims to develop students' critical and analytic skills as applied to contemporary global public health studies and research. It provides students with advanced knowledge in specific areas of public health from a global context. The programme develops students' ability to do research in the public health domain. This entails the writing of a research proposal, applying suitable research methods, data collection and analysis techniques, to report findings, to draw conclusions and to make recommendations.

CAREER OPPORTUNITIES

As well as providing career opportunities in health promotion and policy and public health, the Bachelor of Public Health (Honours) provides a pathway to postgraduate programmes and higher research degrees.

An appropriate Bachelor's Degree with an average of 60% in the final year; **OR**

An appropriate Advanced Diploma, provided that a 360 credit Diploma or appropriate equivalent has been completed, with an average of 60% in the final year.

Additional requirements

Candidates are normally required to have a minimum final year average of 60% in the qualifications final-year (NQF L7) modules. Those with a final year average of 55 - 59% will be admitted if they attained 60% or higher for the designated cognate/core discipline module at final-year (NQF L7) level.

International

A SAQA NQF L7 Evaluation Certificate in an appropriate field and meeting the additional admission requirements.

Additional Notes:

Graduates of The IIE who do not meet the admissions requirements for admission to Honours can enrol for and repeat all or some of their NQF Level 7 modules in order to improve their marks so that they can meet the entry requirements for Honours. These graduate students will then receive an additional transcript after the completion of the repeat module(s), where the repeat module(s) will appear as a second iteration of the module(s) on the transcript. The marks from the second iteration can then be used for admission to Honours in the subsequent academic year. This option is only available to graduates from The IIE and does not apply to graduates from other HE institutions
