

IIE Bachelor of Business Science (Honours)

Faculty of Commerce

The IIE Bachelor of Business Science Honours aims to develop critical thinking and reflective skills in graduates holding a Bachelor of Commerce (with one of the management disciplines at NQF level 7) or equivalent degree. In line with industry demand, this degree will build on a broad knowledge base of business developed at undergraduate level in order to deepen students' insight and expertise in the core fields of management. This degree aims to extend students' knowledge on contemporary

management theories in the modern-day business context. Students will engage with various management theories, research methodologies and techniques with the aim of applying and advancing their knowledge of the contemporary business world. This qualification will provide students with the expertise and in-depth theoretical knowledge in management that will support their progression in an organisation, producing a well-rounded, industry-ready post-graduate student.

Articulation Options

For the Faculty of Commerce the following qualification allows you to articulate into the IIE Bachelor of Business Science (Honours) should you meet the requirements:

IIE Bachelor of Commerce

For alternative articulation options within our other faculties please contact your campus for further information.

NQF 5 Higher Certificate

NQF 7 Bachelor's Degree

NQF 8 Honours Degree or Postgraduate Diploma ✓

NQF 9 Master's Degree

Admission Requirements

There are prerequisites for this programme that must be met in order to progress through the qualification.

An appropriate Bachelor's Degree with an average of 60% in the final year; OR An appropriate Advanced Diploma, provided that a 360 credit Diploma or appropriate equivalent has been completed, with an average of 60% in the final year.

Candidates must have modules in management disciplines at NQF Level 7 and must have completed a foundation research module at the undergraduate level, preferably at NQF Level 7. Those who have not completed a foundation research module at undergraduate level will be required to do The IIE Introduction to Research SLP and need to be able to demonstrate an understanding of basic research before they can commence with their research report. Candidates are required to have achieved a minimum final year average of 60% in their third year (NQF L7) modules. Those with a final year average of 55 - 59% will be admitted if they attained an average of 60% or higher for the designated cognate/core discipline module at final-year (NQF L7) level.

Senate Discretionary Admission

Recognition of Prior Learning (RPL):

Candidates who fall outside the above criteria, but who can demonstrate, to the satisfaction of The IIE that they have an appropriate, related qualification or work-based learning, which has taken the candidate to the equivalent of an NQF Level 7 business management related qualification, may be considered for admission into this programme through an RPL process.

Career Opportunities

- Business consultant
- General manager
- Entrepreneur
- Corporate social investment manager
- Business management analyst

International

A SAQA NQF L7 Evaluation Certificate in an appropriate field and meeting the additional admission requirements.

Additional Notes:

Graduates of The IIE who do not meet the admissions requirements for admission to Honours can enrol for and repeat all or some of their NQF Level 7 modules in order to improve their marks so that they can meet the entry requirements for Honours. These graduate students will then receive an additional transcript after the completion of the repeat module(s), where the repeat module(s) will appear as a second iteration of the module(s) on the transcript. The marks from the second iteration can then be used for admission to Honours in the subsequent academic year. This option is only available to graduates from The IIE and does not apply to graduates from other HE institutions.
